If there are any incidents at the campsite, which cause damage or possible injury, please report the matter to EPIC staff (0466 419 099) or for criminal activity directly to the Police on 131444 or for Emergencies on 000.

YOUR SITE / POWER

Please **display your site sticker** on the front of your accommodation (ie gas bottle draw bar) as only authorised campers may use the site. For your safety there is no camping allowed under the high voltage power lines. It is our policy to reduce trips and falls by advising campers to use high visibility materials to mark rope and tent pegs.

Over usage of power at any one time may cause a power outage, please only use one power outlet. If you have a problem please ring our office number (02) 6205 5230 during office hours, or after hours on 0466 419 099 for assistance. It is important to keep your site clean and tidy and ensure there are no obstructions on roads.

FIRES

You must ensure that your group does not light or maintain any fires within the Camping Ground at any time with the exception of gas burning stoves and similar devices approved by EPIC Management.

VEHICLES (20 KPH MAX SPEED LIMIT)

The safety of our guests is of prime importance. Please do not exceed the posted speed limit of 20 kph while on site. Please park within the perimeter of your site.

SEWERAGE WASTE

Overnight pails and/or cassette toilets may only be emptied into the black water dump point sign posted and located in the EPIC campground. Under no circumstances is black water to be disposed of in the amenities block. Refer to the site map for the grey and black water dumping point locations.

LAUNDRY

Laundry door code: **C9753**

Washing machines and dryers cost \$4 per load and accept \$1 and \$2 coins only (in any combination).

If you have a complaint or suggestions on how we can improve our Campground please bring it to the attention of EPIC Management.

We hope you enjoy your stay at the EPIC campground.
